## Wisconsin Fall Colors!

Hi [wisconsin.com](http://wisconsin.com),

Every week we are adding content to [wisconsin.com](http://wisconsin.com). New restaurants, events, Wisconsin businesses, history information, wineries and much more. Next week, watch for the addition of our Wisconsin Friday Night Fish Fry Blog! It will have posts about some of the Wisconsin restaurants that feature Friday Night Fish Fries.

Most of Wisconsin is at the start or just past the start of Fall colors. The next few weeks will be great for that Fall road trip to view Fall Colors, pickup some apples or pumpkins, and just soak in the beautiful Wisconsin Fall Colors.

**[Harry Potter Festival](#)** - In just a few weeks the Harry Potter Festival will start off with their Friday Night Lighted Festival Parade in Jefferson Wisconsin at 6:30pm on October 20, 2017. This will be the first year in Jefferson after their first years in Edgerton Wisconsin. Saturday and Sunday's events are full days from 8 in the morning until 4 in the afternoon and will require wristbands for entry into select events. Visit [www.harrypotterfestival.com](http://www.harrypotterfestival.com) for more information.

**[Wisconsin State Capitol](#)** - This year marks the 100th Anniversary for the current Wisconsin State Capitol building. If you have never walked through this beautiful building, it is something every Wisconsin visitor or citizen needs to do. Our Wisconsin State Capitol building is one of the best, if not the very best State Capitol building in all 50 states! Visit [capitol100th.wisconsin.gov](http://capitol100th.wisconsin.gov) for Official 100th Anniversary events and more.

Thank you again for signing up for our weekly [wisconsin.com](http://wisconsin.com) Newsletter. Look forward to new Wisconsin content. Tell your friends and family about [wisconsin.com](http://wisconsin.com). You can always use our [contact](#) page to give us your suggestions and comments. Thanks from everyone at [wisconsin.com](http://wisconsin.com)!
